Erasmus+

INFOPACK YOUTH EXCHANGE

20-29 NOVEMBER 2022

INFOPACK

- Please read carefully all the important information regarding the Youth Exchange 'INFLUENCER OF HUMAN RIGHTS''
 - Place: Nea Kallikratia, Halkidiki Region

ABOUT THE PROJECT

- The project includes 2 activities: the **APV** and the **Youth Exchange**.
- The **APV** was organized between 20-23 September 2021 in order to ensure a well-prepared Youth Exchange for all involved participants and to share duties and responsibilities among youth leaders as well as to prepare all involved local stakeholders and activists for meeting our young people during the exchange. The APV increased skills and knowledge of youth leaders regarding planning the activities and taking responsibility for the action as well as connected them together which ensured that the communication and the collaboration during the exchange will be unimpeded.
- The **Youth Exchange** is the main activity of the project for young people coming from 8 European countries that share common concerns and goals. The project address the main challenges facing European youth, such as discrimination and social exclusion of marginalized groups, youth unemployment, lack of tolerance and intercultural understanding, conflicts that challenge the culture of human rights in European societies, through social networks, which young people now use in their daily life for various reasons.
- **The Youth Exchange** meets the objectives of the project by giving the opportunity for young people to spend time in intercultural environment, connect and act on local, national and international level as well as become more aware of different cultures, traditions and attitudes of young people coming from different countries.

THE YOUTH EXCHANGE

INFLUENCER OF HUMAN RIGHTS- YOUTH EXCHANGE

The Youth Exchange will be held in Nea Kallikratia, Halkidiki Region.

In this Youth Exchange will take part 55 participants coming from 8 countries and a project coordinator from hosting organization.

During the Youth Exchange leaders will coordinate workshops led by participants.

The topic of the project addresses the main challenges that European youth face, such as discrimination and social exclusion of marginalized groups, youth unemployment, lack of tolerance and intercultural understanding, conflicts that challenge the culture of human rights in European societies, through social networks, which young people now use every day for various reasons. The project will be an opportunity for us to spend time together to share views, fears, concerns, ideas for improvement and to come up with proposals to fill the gaps in both our local communities and our countries, and around the world.

Participants will also develop skills and experience in social campaigning. This is relevant skill nowadays for young people since it helps to break up barriers for public performance, public speaking, group and teamwork, leading and planning, debriefing and evaluating results.

Besides this, participants will also have an international experience, get to know other cultures and traditions better, break stereotypes and promote common understanding, multicultural dialogue and activism of young people on local, regional, national and international level.
